THE STORY BEHIND AMMUNITION HILL

SPECIAL ZOOM PRESENTATION

Yom Yerushalayim
Thursday 21st May 2020

Begins 8:00pm
30 minute talk
Followed by Q&A

Alon Wald is the Head of Operations at Ammunition Hill, National Heritage Center. He is the son of Captain Rami Wald z"l, who fought in Jerusalem during the Six-Day War, and was killed in action while leading the Paratroopers into Ammunition Hill.

Alon dedicates his life to the legacy of the Liberators of Jerusalem, among them, his father. The lecture describes his lifetime of national service and efforts to know and understand his father: a reservist of the Paratrooper Brigade who in 1967 left his wife and son for the greater good of his nation.
